

Catania

technical data

Mounting : White textile feeding cable (950mm)
Input voltage : 220-240V / 50-60Hz
Dirt and water protection : IP20
Electrical protection : Class I
Energy efficiency : Fixture: E-A++, Included lamp: A++
Dimensions : D360x220mm
Material : Aluminium
Surface : Powder coated
Color : RAL 9010
Socket : 1 x E27 (max. 60W)
Lamp : Sylvania ToLEDo Retro Ball
Power : 4W
Correlated color temperature : 2700K
Average lamp lifetime : 15000 hours
Connection : 3 pole push wire terminal
Net weight : 0,9kg
