

Halka-K

technical data

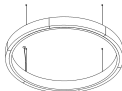

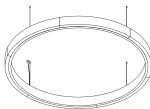

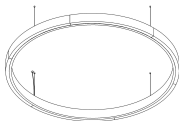

Name : Halka-K
Family : giant
Mounting : Pendant
Input voltage : 220-240V / 50-60Hz
Dirt and water protection : IP20
Electrical protection : Class I.
Energy efficiency : A+
Material : Aluminium / PMMA
Surface : Powder coated / Opalescent
Lamp : LED
Correlated color temperature : 3000K
Average lamp lifetime : L70B50 50000h
Connection : 3 pole push wire
